

Fantastic Location

Wrightsville Manor is Wilmington's newest and most enchanting indoor/outdoor event venue, located near the gateway to Wrightsville Beach, in one of Wilmington's most charming and historic areas. The beautiful 1.25 acre property sits between Lumina Station and St. Matthews little historic brick church on Wrightsville Avenue. Being just minutes from the beach, we are conveniently surrounded by wonderful hotels, beach resorts and waterfront dining along the Intracoastal Waterway marinas. We are also just a short walk to Lumina Station, a high-end outdoor shopping and dining area with fabulous open-air restaurants, stylish boutique clothing stores, high-end furniture stores and a wonderful day spa & hair/make-up salon.

An Enchanting Property - Yours for the whole day!

When you book a Friday, Saturday or Sunday wedding at Wrightsville Manor the Venue and Bridal Suite are yours for the whole day – no time limit. Wrightsville Manor exudes enchanting old-world charm inside and outside. There are also several beautiful areas on the property to have a ceremony, such as on the outside Veranda, on the Garden Lawn, the Oak Tree Garden, inside the Main Event Space in front of the large exposed brick fireplace, or in front of one of the 15 foot high windows. After your ceremony guests can enjoy cocktail hour under the stars and then move back inside for dinner and dancing!

Bridal Suite

French doors open off the main event space to a private Bridal Suite with its own large bathroom, and French doors that open up to the outside garden lawn. The Bridal Suite is a relaxing haven that the bride, her bridal party and her family are welcome to use for the whole day. This suite can also be transformed into a second event space for your reception, such as a lounge, dessert room or whatever you imagine.
